Vendor Invitation

Dear prospective vendor,

We would like to formally invite your company to participate at the **46th Annual AGIFORS Symposium** to be hosted by Alitalia Servizi in the historic city of Rome, Italy.

The conference has been scheduled for **01-06 October 2006**, and will draw participants from various airline functions, ranging from airline operations, cargo operations and logistics, crew planning and management, revenue management and distribution, and scheduling and strategic planning. In addition to being a forum for technical papers and full length presentations, the symposium serves as a networking opportunity where airlines can pursue their enterprise level IT requirements through active discussions with fellow delegates. This year we are expecting about 100 delegates from 25 airlines. Each year attendees find the vendor presentations extremely useful and often ask for an expanded vendor program. Please review our tentative technical agenda and social program (attached).

All vendor delegates will pay the standard **delegate registration fee of €600 per person** to participate in the conference. In addition to the conference entrance, this entitles the corresponding company to a brief five (5) minute presentation on the technical agenda at the annual symposium (if desired). In addition, if interested your company may 'sponsor' one of the social events for an nominal fee ranging from €1000 to €2500 per event (see attached form).

You are cordially invited by:
